OBJECTIVES OF NSS :

The NSS aims in developing the inner potentialities and transforming the students mentally to fit into the society to which he/she belongs. Besides regular activities of cleanliness, Shramdan, tree plantation in the campus the unit is also engaged in social and community works in the adopted Villages. Important weeks and national days are also celebrated by the unit. The NSS Volunteers are also successfully participating in different training programs and National Integration Camps etc.

The NSS Unit of college has been fulfilling the objectives of NSS by encouraging and supporting active participation of youth in the process of socially valuable and nation building activities and has also been important in development of personality of the youth. With the objectives of NSS, it is there to develop multidisciplinary personality of the student youth so as to gain skills in mobilising community participation, acquire leadership qualities and democratic attitudes, develop capacity to meet emergencies and natural disasters, etc. along with their academics.
